

Assistive Devices Program (ADP)

Attachment A

Professions Eligible for Authorizer Status and Documentation Required for Ocular Prostheses

The information contained in Attachment A outlines:

- the health professionals eligible to apply for authorization status for ocular prostheses; and
- the documentation the applicant is required to include with his/her application for authorization status.

Authorizers are the gatekeepers to the ADP and play a significant role in:

- providing Ontario residents with accurate information about the ADP;
- assessing Ontario resident's needs for assistive devices;
- confirming the Ontario resident's eligibility for funding assistance; and
- completing the application form to request funding assistance.

A healthcare professional must be registered as an ADP authorizer before he/she can:

- recommend ADP-approved assistive devices to eligible Ontario residents; and
- complete the ADP application form for eligible Ontario residents.

See table on next page.

Device Category	Professions Eligible for Authorizer Status	Documents (copies) which must be submitted with application
✓ ocular prostheses	Certified Ocularist who: <ul style="list-style-type: none"> • has successfully completed the examinations offered by the National Examining Board of Ocularists; AND • is board certified by the National Examining Board of Ocularists. 	Required: <ul style="list-style-type: none"> ☐ Copy of certificate from the National Examining Board of Ocularists.
