The Ministry of Health and Long-Term Care (Ministry) and the Ontario Medical Association (OMA) have agreed to amend the Comprehensive Care Agreement effective April 1, 2012 to create an open-ended term to the contract. The provision in the agreement that allows either the physician or the Ministry to terminate the Agreement upon 90 days written notice to the other party continues.

If you do not agree to this amendment and desire to immediately terminate your agreement, you may give written notice to the Ministry (in accordance with the terms of your agreement) within 30 days of the posting date of this INFOBulletin. Failing to do so, you will be deemed to have accepted this amendment.

Amendment to the CCM Agreement:

The section of the CCM of Agreement titled, “Term of the Agreement” (section 3) is removed and replaced with:

3. Term of the Agreement

This Agreement will remain in effect until it is terminated by either the Physicians or the Ministry giving the other written and dated notice of the desire to terminate the Agreement. In that case, the Agreement will end ninety calendar days after the date of the notice to terminate.

I understand that the template for this Agreement was negotiated by the OMA and the Ministry and may be amended by them at any time 30 days after written notice of the amendment is sent to me. I may, within this time period, elect to give notice of termination of this Agreement to the Ministry. If no notice of termination is given, I will be deemed to have accepted the amendment.
