Re: Term Amendment to Family Health Group (FHG) Letter of Agreement

The Ministry of Health and Long-Term Care (Ministry) and the Ontario Medical Association (OMA) have agreed to amend the Family Health Group Letter of Agreement effective April 1, 2012 to create an open-ended term to the contract. The provision in the agreement that allows either the physician(s) or the Ministry to terminate the Agreement with 90 days written notice continues.

Any physician not in agreement with this amendment and who desires to immediately terminate their agreement, may give written notice to the Ministry (in accordance with the terms of your agreement) within 30 days of the posting date of this INFOBulletin. Failing to do so, they will be deemed to have accepted this amendment.

Amendment to the FHG Agreement:

The section of the FHG Letter of Agreement titled, “Term of the Agreement” is removed and replaced with:

Term of the Agreement

This Agreement will remain in effect until it is terminated by either the Physicians or the Ministry giving the other written and dated notice of the desire to terminate the Agreement. In that case, the Agreement will end ninety calendar days after the date of the notice to terminate.
