Subject: Emergency Department Fee Increases in Support of the Emergency Department Action Plan

In support of the 2006 Emergency Department Action Plan, fee increases for emergency department services have been implemented in the Schedule of Benefits for Physician Services.

Physicians should submit claims using the new rates starting May 1, 2007. The Ministry will retroactively adjust all eligible claims to the appropriate fee for those services provided from September 1, 2006 to April 30, 2007 on the June 2007 Remittance. Physicians will receive updated Schedule of Benefits pages in April 2007.

Additionally, changes have been made to expand the definition of holiday for the purposes of the emergency department fee codes.
