Re:   Reminder - Print and Distribution of Claim Card and Laboratory Requisition Forms

This INFOBulletin is a follow-up to INFOBulletin 8113 regarding Claim Card and Laboratory Requisition Forms, including

- 4419-84 Request for Laboratory Requisitions/Claim Forms - no longer required
- 4420-84 Health Claim - available via the Internet
- 4421-84 Reciprocal Claim - available via the Internet
- 4422-84 Laboratory Requisition - available via the Internet

As noted, effective April 30, 2012, the Ministry of Health and Long-Term Care (MOHLTC) will discontinue printing and distributing paper Claim Card and Laboratory Requisition forms to providers. The intent of this initiative is to support the government priority of making the healthcare system more accountable and to align with the Ontario Public Service (OPS) Green Strategy to reduce the carbon footprint. These forms have been available on the Internet since April 2006 in both “view and print” and “fill and print” formats. These forms can be accessed and printed in multiples or as a single form at:

www.health.gov.on.ca/english/providers/forms/form_menus/ohip_prof_fm.html

It appears that some providers are stockpiling these forms, prior to the deadline date. The ministry will be reviewing all orders and will not be approving fulfillment of order volumes that exceed the respective provider’s three year historical trend.
