</table>

1) Purpose
C = Convalescing
D = Diagnosing
I = Isolation
T = Treatment

2) Facility Name - Progression Recovery Location
Enter facility name or DK = Don’t know

3) Facility Type
Hosp = Hospital
LTC = Long-term care
Home = person is at home
DK = Don’t know

4) Classification
C = Confirmed
P = Probable
PUI = Person Under Investigation
DNM = Does Not Meet case definition

5) Progression – Clinical
CC = Case Closed
COMPLETED home isolation after discharged from hospital or no longer being followed
D = Deceased
DC = Discharged
I = Improving
II = Improving (Intubated)
S = Stable
SI = Stable (Intubated)
W = Worsening
WI = Worsening (Intubated)
EX = Extubated

Notes:
