

NOTICE FROM THE EXECUTIVE OFFICER

December 22, 2008

3 WEEKS REMAIN—Renewal of the Health Network System (HNS) Agreement

If you have already sent in your renewal agreement this reminder does not apply to you. Please allow 8-12 weeks for processing.

The expiry date for sending in your renewal of the Health Network System (HNS) Subscription Agreement ('New Subscription Agreement'), is January 15, 2009.

This expiry does not apply to new operators of pharmacies ('Operators') or those who changed ownership after the October 2008 notices.

Please ensure that **all 9 pages** of the agreement are faxed or mailed. Completed and signed agreements may be returned by:

Facsimile: (416) 327-8123

or

Mail: Manager, Pharmaceutical Strategy
Ontario Public Drug Programs Division
5700 Yonge Street, 3rd floor
Toronto, ON M2M 4K5

A final copy of the New Subscription Agreement with the signature of the Executive Officer will be returned by mail for your records. Given the volume of agreements which are being renewed, please allow **8-12 weeks for processing** and receiving a signed and dually executed copy of your agreement.

Please be reminded that failure by an Operator to execute the Agreement before January 15, 2009 will result in the suspension of that Operator's HNS account. In such cases the HNS account will be re-activated within five (5) business days of the Agreement being signed and submitted to the Ministry.

Claims may only be submitted by an Operator for reimbursement if the New Subscription Agreement is in place. Operators will not be able to make a claim through the HNS or be eligible for payment if the Operator's account is suspended.

For additional information, please review the Executive Officer notices posted on the ministry website at the following link or posted through the BBS notices provided below:
