

Instruction for use of Yellow Display Sleeve

With all health emergencies, the Ministry of Health and Long-Term Care will post and update important information for health care providers on the ministry website. This will include appropriate instructions to be posted for patients visiting your office.

Visit the pandemic site daily

During an influenza pandemic, please visit www.health.gov.on.ca/pandemic daily for updates. Print off, or have us fax you the latest important information.

Once received, the instructions for patients visiting your office should be inserted into the yellow plastic sleeve provided and posted on your office door or appropriate entry space for your patients to read.

For specific information on the Emergency Infection Control Kit please email emergencyICkits@moh.gov.on.ca
