Subject:

November Academic Health Science Centres (AHSC) Payments and Reporting for December 2009 payment date

A problem has been identified which affected the payment reporting and the payment amounts redirected from AHSC clinical groups and providers to AHSC Governance Organizations for the month of December 2009.

The bank deposit and/or cheque amounts and the Remittance Advice details *including* the deposit amounts shown on the Remittance Advice for the December 14, 2009 payment are not correct for all affected providers.

The ministry is working toward correcting the deposit amounts accordingly and will pay any outstanding funds to affected AHSC groups and providers this week. Any recovery of funds resulting from this problem will be addressed in January 2010. The ministry is preparing a notice to be mailed separately that will assist you in reconciling your December 2009 Remittance Advice reports.
