Subject: Primary Care Enrolment, Consent and Payment Reports via Electronic Data Transfer (EDT)

Note: This Data Link supplements Data Links 09-004 and 09-006

The purpose of this communication is to provide you with additional technical information – Data Models – for the following enrolment and consent reports that will be available electronically via EDT as of November 2009:

- Enrolment Report Patient Summary
- Outside Use Report (Patients with Signed Consent)

Data Models

Technical definitions of the structure and content are specified in these Data Models. The Data Models are mapped to the two reports as shown in the following chart:

Report Name	Data Model Name
Enrolment Report Patient Summary	ES_SAMPLE (Data Model)
Outside Use Report (Patients with Signed Consent) for Family Health Network & Family Health Organization Models	OU_SAMPLE (Data Model)

How to Download the Data Models

The Data Models are available for download by clicking on one of the download links in the table above under Data Model Name.

- Double Click the file and Microsoft Word will automatically open with the selected Data Model OR (if Word is not available)
- Right-click filename
- Select 'Open With' Wordpad or Notepad

Additional information and technical specifications about the new XML reports are available at:
