RE: Announcement of Manager, LHIN Relations and
Coordination

I am pleased to announce the appointment of John Babos to the position of Manager, Local Health Integration Network (LHIN) Relations and Coordination, effective April 10, 2007.

John will work with me as well as the other LHIN Liaison Branch Managers to work in partnership with the LHINs. More specifically, he will be responsible for managing the relationship between the LHINs and the Ministry with specific regard to accessibility, coordination and knowledge transfer. As well John will provide leadership and support in the development and monitoring of risk and issues management strategies.

John comes to this role with excellent skills and experience. His most recent position in the Ministry of Health and Long-Term Care was in the Acute Services/Community Health Division as the Manager, Issues Management and Information Services. Before that, John was in the Communications and Information Branch of MOHLTC, as a Senior Communications Advisor and Senior Strategic Communications and Policy Analyst. Currently, John is working in the Ministry of Community and Social Services/Ministry of Children and Youth Services in the Communications and Marketing Branch as the Manager, Strategic Issues and Media Management.

Please join me in congratulating John on his new appointment.
