RE: Announcement of Manager, Monitoring and
Controllership

I am pleased to announce that Priya Balasundaram has been appointed as Manager, Monitoring and Controllership within the Financial Management Branch, effective April 2, 2007.

As Manager of the Monitoring and Controllership Unit, Priya will be responsible for controllership functions as it relates to the LHINs and ministry-managed programs. Responsibilities will include expenditure forecasting, monitoring and reporting.

Priya comes to this new role with a great deal of financial management experience, having most-recently worked as a Financial Coordinator in the Finance and Information Management Unit and as a Financial Consultant within the Priority Programs Unit in the ministry. Priya has also worked for Markham Stouffville Hospital and The Hospital for Sick Children in the capacity of a Financial Analyst.

Please join me in welcoming Priya to her new role.
