I am pleased to announce that Mark Chodikoff has been appointed as Manager, Innovation Investment Evaluation in the Emerging Innovation Investment Strategy Branch of the Health System Investment and Funding Division, effective May 28, 2007.

As manager of this area, Mark will be responsible for the planning, assessment and evaluation of potential investment opportunities and new innovations across the health care system to support our new Ministry direction and its stewardship goals.

With extensive education and experience working in policy development, project management, and finance, Mark brings significant skills and understanding of health care innovation to his new role. Please join me in congratulating Mark on his new appointment.
