MEMORANDUM TO: MOHLTC Employees

FROM: Vasanthi Srinivasan
Director
Health System Planning and Research

RE: Announcement of Manager Planning

I am very pleased to announce that **Alison Paprica** has been appointed the Manager of Planning within the Health System Planning and Research Branch of the Health System Strategy Division effective September 5, 2007.

In her new role, Alison will be responsible for managing the development and mapping of the annual provincial health system strategy and the sub-system strategies within the overall strategic directions and provincial priorities for the health care system in Ontario.

Alison brings significant skills in planning, stakeholder management and accountability from leading various initiatives in the OPS, as well as experience in managing strategic projects for Astra Pharma (now AstraZeneca) and Genpharm Inc. She is currently Manager, Performance Measurement and Results with the Ministry of Research and Innovation.

Alison has a combined Honours Bachelor of Science in Biochemistry and Chemistry from McMaster University, as well as a Doctorate in Organic Chemistry from the University of Western Ontario. She is a Project Management Professional (PMP) certified with the U.S.-based Project Management Institute since 2001.

Please join me in welcoming Alison to her new position.
