## MEMORANDUM

**Date:** January 03, 2020  
**To:** Assistive Devices Program Registered Vendors  
**From:** Eva Roszuk, Director, Assistive Devices Program (ADP)  
**Subject:** eSubmission – Secure Electronic Submission of Invoices

---

In line with government-wide efforts towards Open for Business – Burden Reduction Strategy, and as part of work to improve program's efficiency and accountability, the Assistive Devices Program (ADP) is proceeding with implementing phase one of the eSubmission project.

The eSubmission is a digital solution that will, in part, allow the electronic submission of vendor invoices through new digital channels.

Early in 2020, vendors registered with the ADP will be able to submit their invoices electronically through new channels.

Further details including the exact date of implementation and the technical specifications will follow.

We look forward to working together to deliver simpler, faster and better services to all Ontarians through enhanced electronic business delivery.

Sincerely,
